Overleaf Notes

Each Certificate of Origin shall bear a unique serial reference number, assigned by the competent authority.

Box 1: State the full legal name and address (including country) of the exporter.

Box 2: State the full legal name and address (including country) of the producer. If the producer and the exporter are the same, complete box with the details as on Box 1 or indicate "SAME". If the exporter or the producer wishes this information to be confidential, then it is acceptable to state, "Available to the customs authority or competent authority upon request". If more than one producer's good is included in the certificate, list the additional producers, including name and address (including country).

Box 3: State the full legal name and address (including country) of the importer.

Box 4: As far as known, indicate the means of transport, departure date, port of loading and discharge.

Box 5: This box may be used when there is additional information relating to this Certificate of Origin, for example:

- a) In cases where a Certificate of Origin may exceptionally be issued after the date of shipment of the goods, in accordance with paragraph 2 of Article 3.24 (Certificate of Origin Issued Retrospectively), the following shall be indicated in this box: "ISSUED RETROSPECTIVELY". Additionally, in cases referred to in paragraphs 2 (b) and 4 of Article 3.24 (Certificate of Origin Issued Retrospectively), the number and date of the Certificate of Origin that was originally issued shall also be indicated.
- b) In case of theft, loss, or destruction of the Certificate of Origin as per Article 3.26 (Duplicate of the Certificate of Origin), the following shall be indicated in this box: "DUPLICATE" and the number and date of issuance of the original Certificate of Origin.
- c) In case that the invoice was not issued by the exporter or producer of a good as per Article 3.18 (Third Party Invoicing), it would be optional to indicate in this box: "THIRD PARTY INVOICING" and information as the name and country of the third party issuing the invoice.
- d) In the case that the space of the boxes is not enough, additional pages with the same form as the Certificate of Origin could be attached. Any additional page will have the phrase "PAGE _of ____" and the boxes 6 to 11 will be completed with the corresponding information.

Box 6: State the item number.

Box 7: Fill in a full description of each of the goods in sufficient detail in accordance with the description given in the invoice and the HS code in at least 6 digits. This information should be sufficiently detailed to enable the goods to be identified by the customs officer examining them. If the HS Code is given in more than 6 digits, only the first 6 digits will be taken into consideration.

Box 8: State the gross weight in kilos or other units of measurement (e.g. volume or number of items which would indicate exact quantities may be used when customary), of all the goods listed in Box 7 or separately for each item.

Box 9: Filling this box is optional; however, if this box is filled in, indicate the number and date of invoices issued by the exporter or producer. In case the invoices were not issued by the exporter or producer of a good as per Article 3.18 (Third Party Invoicing) and the invoice is not available, this box must indicate the number and date of invoice issued by the exporter or producer.

Box 10: This box must be completed, signed, dated and stamped by the authorized official of the competent authority if the Certificate of Origin is issued in paper format. In case that the Certificate of Origin is issued in an electronic format, this box must be completed and include a certified digital signature of the authorized official or the electronic stamp of the competent authority, as applicable, as per Article 3.20 (Certificate of Origin).

Box 11: This box must be completed, signed and dated by the exporter. Insert the date and signature of the exporter. However, in the case of the UAE, the digital signature of the exporter shall not be mandatory, according to the provisions of Article 3.20 (Certificate of Origin).

NOTES:

1. The Certificate of Origin shall be completed in the English language by typing.
2. The overleaf notes hereon are only used for the purposes of reference to complete the Certificate of Origin, and thus do not have to be reproduced or printed in the overleaf page.
